### Employee Retention

We believe in sustainable employment - we'll provide short and long term support to help build a lasting relationship for you and your new employee

### Simplified Hiring

We provide prescreened candidates to meet your business' specific needs. We can provide space and assistance with interviews and support through your selection process

### Increased Revenue

Our candidates are primed for work. Reduce your turnover by hiring someone that comes complete with full support

### Workplace Disability Supports

We can provide assistance to assess and acquire needed equipment and supports for employees with disabling conditions

### Employee Training

Our program can provide job specific training, including First Aid, WHIMIS, Food Safe, Fork Lift Training, and more

### Job Coaching

To ensure the productivity of your business, we provide onsite and in person support for employees who need extra time to learn their new job
